STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Haverhill in the county of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 9th day of March, 1937, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town and payment of statutory obligations of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the town will vote to authorize the selectmen to issue interest bearing orders or notes to provide for the current year's expenses in anticipation of taxes.

Article 6. To see if the town will vote to authorize the selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 7. To see if the town will vote to grant a discount of three per-cent for the prepayment of real estate and personal property taxes if paid on or before July 15, 1937, or if for reasons beyond the control of the tax collector tax bills cannot be distributed before July 15, 1937, within such time after July 15, 1937, as the finance committee shall deem proper and direct.

Article 8. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Article 9. To see if the town will vote to apply all money received from the sales of deeded property to the reduction of the temporary indebtedness of the town.

Article 10. To see if the town will vote to appoint a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 11. To see if the town will vote to take into and include in the town Cemetery System any or all the private cemeteries in this town which shall vote to be so included, and to pass any other vote relating thereto.

Article 12. To see if the town will vote to grant permits to druggists for the sale of liquor in this town for medicinal, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 13. To see if the town will vote to rescind a vote passed by this town at the annual meeting in 1935 relating to the adoption of by-laws to regulate the observance of the Lord's Day, to reject such by-laws as a whole, to change or modify such by-laws in part, or to pass any other vote relating thereto.

Article 14. To take the sense of the voters upon the following question, to wit: "Is it expedient to revise the constitution?", as required by joint resolution of the General Court approved February 18, 1937.

Article 15. To transact any other business proper to come before said meeting.

Given under our hands and seal this 22nd day of February, 1937.

REPORT OF SELECTMEN

To the Citizens and Taxpayers of Haverhill:

We submit our report for the year ending January 31, 1937. On the following pages will be found the detailed statement.

At the last town meeting it was voted to revalue the town. Two assesors were elected at the meeting and one man sent from the state tax commission, to work with the selectmen. About five weeks were spent on this revaluation and we feel a very thorough job was done. There are on the town blotters 793 parcels of real estate, of these 201 were increased, 176 decreased and 416 remain the same. The result of this revaluation shows a decrease of $163,443.

The overdraft in last year's report of $8,824.39 was included in our payments of this year, and an overdraft at the closing of this year of $2,551.77 showing a decrease of $6,276.62 in this account.

On the new valuation, the division of the highway appropriation gives Woodsville precinct 47% and the Town district 53%. Quite a substantial sum of the Town part of this appropriation was spent on flood work caused by the spring floods of 1936. We received no funds from the state to use on this flood work, but did receive about $1,000. from the W. P. A.

The Poor account still remains our big problem. We know of no better way to handle it than as it is being done at the present time.

We are publishing in this year's report a copy of the Haverhill Town Report of 1878, which will be found on Page 32.

Respectfully submitted,

JONAS N. BROWN,
WESLEY G. WHITE,
ERNEST E. CRAIG,
Selectmen of Haverhill

The foregoing Summary of Receipts and Payments as compared with the Budget is submitted by your Finance Committee with recommendations—That in addition to the State, County and Poll taxes provided by law, the Town raise the sum of $28,295.00 and appropriate said sum and all other monies which may be paid into the treasury and which are not required by law otherwise to be expended in accordance with the foregoing Budget as presented by the Finance Committee.

Reference to detailed information on various pages of the printed report discloses amounts expended during the past fiscal year as well as probable expenditures for the ensuing year. The amount to be raised to balance the Budget is $28,295.00 which is $1,535.00 more than was raised for 1936. This increase is largely due to the $2,500.00 set up for State Aid or Special Legislated Road to complete the Blackmount road to the Benton town line a distance of three miles. This expenditure is based on condition that the state contributes $7,500.00 to our $2,500.00. This program covers a two year period or a total expenditure from state and town of $20,000. If the state decides not to co-operate on this basis the town will expend only $1,974.75 on State Aid roads.

We have increased appropriation for Cemeteries $400.00, which amount is to be paid direct to the Trustees of Trust Funds to restore trust funds allegedly embezzled a few years ago. This loss amounts to

about $3,200.00 and we recommend that this program be followed each year for eight years or until the amount of $3,200.00 has been restored to Trust Fund account.

We anticipate a further increase in County taxes. The expenditure for town poor is, in our opinion a very serious one and while we consider the business of administrating relief in the town to be well handled we repeat our report of last year that too great a percentage of our population is on relief and some way should be found to correct it.

The past year a re-appraisal of property values was made which resulted in a decrease in our valuation of $163,463.00 which gave an average rate throughout the town of $3.14. Based on present Budget figures and on last year's valuation the rate will be slightly higher this year. Town Maintenance funds are divided as follows: 47 per cent to Woodsville and 53 per cent to the town.

The indebtedness of the town is $3,050.23 less than last year. Bonded indebtedness is $42,000.00. Short term notes and the overdraft amount to $34,499.92. Taxes due the town amount to $32,509.62, which if paid would almost offset our short time indebtedness.

We recommend that the Selectmen for the year 1937 abate interest charges on back taxes to 6% instead of 5% as charged now and as conditions improve gradually increase the rate to 10% required by law. The requirements for the two school districts are less than last year and we expect a saving to be made in the Police Dept.

The Budget has been followed very carefully the past year and the Finance Committee take this opportunity to express its appreciation to the various of-

ficers for their splendid cooperation in trying to hold expenses to the smallest amount possible.

Respectfully submitted,
H. B. KNIGHT,
H. E. SMITH,
F. R. DEAN,
Finance Committee.

RESOURCES OF THE TOWN

Trust fund deposited in the Nat'l Bank of Newbury, Wells River, Vt.	$24,482 93
Increase on the same for the past year	1,187 39
Due from Grafton County for support of paupers, estimated	1,000 00
Due from S. T. Pennock on 1875 and 1876 tax lists	1,705 54
Due from John W. Cutting on 1877 tax list	2,262 76
Due from lease lands	231 34
	$30,869 96
Cash in Treasury March 1, 1878	1,934 38
Leaving the indebtedness of the Town over and above resources	$18,239 26
Decrease of indebtedness from last year over and above resources	$3,616 56

We also find that there is a balance due the Town from A. P. Glazier on the 1869 and 1870 tax bills of $90.19, but consider it of no value.

We would renew our recommendation of last year that the Town instruct the Treasurer to collect all rents due on lease lands by legal process if found necessary.

We would recommend that the Town raise thirty-five hundred dollars for Town charges.

Thirty-two hundred dollars to pay interest on Bonded debt.

Three thousand dollars for school purposes, eight hundred dollars of the same to be divided equally to the districts.

Two thousand dollars in money for highways, to be laid out under the direction of the Selectmen, by agents appointed by them; and that no orders be given for labor except on receipt of an itemized bill duly receipted.

We would recommend that the Town instruct the Treasurer to deposit in the Nat'l Bank of Newbury fifteen hundred dollars of the balance now in the Treasury to be added to the trust fund of the Town.

We would respectfully say that in the limited time afforded, it was impossible for your Auditors to comply with the vote of the Town requiring a detailed report.

CHAS. G. SMITH,
P. W. KIMBALL,
Auditors.

Lillias R. Warren, English, Latin, history.

Marion F. Eastman, commerce.

Bertha Davis, English, history.

Marion F. Diemond, commerce, English.

George H. Rogers, mathematics, science.

Elizabeth M. Poor, home economics.

Junior High School

Principal, Nettie W. McCoy.

Winifred Sargent.

Elementary Grades

Helen A. Franklin, grade six.

Marion F. Smith, grade five.

Margaret Powers, grade four.
Marion E. Garland, grade three.
Mildred E. Emery, grade two.
Florence Lang, grade one.
School nurse, Lottie M. B. Underhill.
Janitors, William Fillian, Earl Whittier.

In addition to the information given by the figures above, I would like to make some further additions. The per cent of attendance for the whole state last year was 94.75, one per cent less than that of Woodsville. Cases of tardiness per pupil averaged somewhat higher than that of the state.

A number of factors helped to make the high attendance record possible: absence of serious epidemics; health supervision; milk for certain children; an efficient truant officer; a comfortable sanitary building; and, most important of all, the interest of the parents.

The per pupil cost in the grades was $45.80. This is next to the lowest in the state, where costs range from $44.66 to $296.30, and over $22.00 less than the median.

During the past few months steel ceilings have been put in the second and fourth grade rooms and part of the hall, adding much to the looks and safety of the first floor. There have been installed also new vacuum valves and air expellers on the heating system in the Graded School for quicker service and economy of fuel. It would probably be good economy to put in insulation around the attic in both buildings, and to paint the outside woodwork on the graded school.

I am particularly pleased to call your attention to the friendly support given the schools by many members of the community. All of the dentists in town helped in dental clinics making possible the treatment of a large number of cases. The food sales put on by some of the ladies and contributions of money by many

others have cleared the athletic activities of the High School from debt. Milk has been furnished to over forty children through funds raised by the Progressive Club together with the Legion, the Legion Auxiliary, the Rebekahs, the Grange, the Catholic Woman's Club, the Methodist Girls' Club, the Rotary, and the D. A. R. An organ, the gift of Mr. Homans, has been placed in the fifth grade room. Tangible evidences of such hearty cooperation upon the part of so many friends is very gratifying and encouraging to your school board, teachers, and superintendent.

Respectfully submitted,

EDWARD A. JANES, Superintendent.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my nineteenth annual report of the Woodsville High School, for the year ending January 31, 1937.

During the present year there have been registered one hundred forty-eight pupils, sixty-two boys and eighty-six girls. There are twenty-six seniors, forty-two juniors, thirty-nine second year, and forty-one first year. The tuition list carries sixty-one names, twenty-one from New Hampshire and forty from Vermont.

Graduation last June completed forty years of the high school in organized form. There were thirty-eight in the graduating class: Stella C. Bagley, Kendall F. Beaton, W. Albert Bullard, C. Lincoln Butson, K. Elizabeth Chamberlin, Vincenza E. Chiaradia, Edward B. Davison, Mary H. Devins, Jeanette I. Fullerton, Evelina Garbati, Arthur J. Greenwood, Natalie L. Hill, Joseph A. Lamarre, Jeannette M. Langway, Philip C. Langway, Muriel M. MacKinnon, Natalie J.

Mason, P. Clarence McIntire, Arlene C. Moore, Winnifred M. Moran, J. Harold Nelson, Gordon E. Oliosi, Margaret A. O'Malley, George H. Rowden, Norma R. Shortsleeve, Gordon L. Smith, Maudie E. Snelgrove, Henry G. Spinney, David G. Stanley, Dorothy A. Stimson, Harold M. Travis, Norman C. Weden, Robert E. White, Roland M. Whittier, Hazel I. Wilson, J. Edgar Wood, Raymond S. Wood, and Louis B. Zambon. There are now six hundred and ninety-eight graduates. A total of about fifteen hundred pupils have entered the school, some for only a few days, many to complete the course.

First place in this class was taken by Louis Zambon; Kendall Beaton stands second, and Stella Bagley third. The Alumni Attainment award was given to Gordon Smith, presentation being made by Edward G. Miller, '22. The Perley N. Klark music award, established by Dr. P. E. Speed, was divided between Clarence McIntire and Natalie Mason.

At Class Day exercises the graduates presented to the school an interval timer for use in the commercial department. In the school auditorium the baccalaureate address was given by Rev. Dr. Gilbert Wieting of North Haverhill; and in the Wells River village hall the reception took place. This was the first class to use cap and gown at graduation.

There are eleven graduates attending the University of New Hampshire, eight at the University of Vermont, five at Dartmouth, and some thirty in other schools and colleges.

At the graduation last June a portion of the program was devoted to the fortieth anniversary of the school. Letters of greeting and of reminiscence were read from former headmasters, Messrs. Robertson, Wallace, and Orcutt, and a tribute was paid to the late Norman J. Page. Several citizens spoke on the course

of the school's development. Full account of all these events is preserved in clippings from the local newspapers. A cabinet has been established in the office to contain these scrap books and many other matters of interest pertaining to the history of the school.

The National Youth Administration was set up among us last spring and has given many hours of employment to a number of pupils. As a result various details have been accomplished about the school house: the walls of the class rooms have been washed and considerably brightened, the skating rink was rebuilt and kept free of snow, the window screens have been painted, the book closets cleaned and set in order, the laboratory supply room renovated, the athletic fields and equipment kept in order, the library books listed, many typing projects performed, duplicate copies of pupils' records have been made to lessen the possibility of permanent loss of the records, a story telling hour for the younger grades has been conducted on Saturday mornings, and varied allotments of minor activities have been assigned.

Many features have become a part of the daily or annual routine: orchestra, band, athletic teams, sports day for girls, winter carnivals, public speaking, various essay contests, scholarship day at Plymouth Normal, review of elementary subjects — spelling, arithmetic, geography, vocational guidance, lyceum, Quill and Scroll society, and assembly programs.

In the general tests in intelligence and in fundamental subjects, the seniors of 1936 stood above the state average in each subject. W. H. S. went back into the North Country athletic leagues, which was made possible by generous citizens contributing to any deficit incurred. Members of Quill and Scroll ran a series of reviews of recent books in the local press.

Miss Marian E. Fenerty left the home economics department of the school to take up similar work in

Dover, N. H. She had given ten years of service to this community, and her record for efficiency is well worthy of recognition.

Like every school, this one is always in need of enlarged and new equipment to keep pace with the times. We count not ourselves to have attained, but we mean to keep on doing as well as we can do.

Respectfully submitted,

G. H. McGAW, Headmaster.

REPORT OF HAVERHILL SCHOOL BOARD

TOWN SCHOOL DISTRICT WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the Town of Haverhill qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 20th day of March 1937, at ten o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To see if the District will vote to authorize the School Board to sell the Brier Hill school house.

10. To see if the District will vote to install a new heating plant and make other necessary repairs in Alumni Hall.

11. To see what sum of money the District will raise and appropriate or authorize the School Board to borrow on the credit of the District to defray the cost of said heating plant and repairs.

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Haverhill this 13th day of February 1937.

E. BLANK,
Wm. H. SLIGHT,
WILLIAM J. CLOUGH,
School Board.

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board, beg to submit the following report:

To keep the various school buildings in good repair, and yet spend the taxpayer's money wisely, is ever quite a problem with which the School Board is confronted. Among the most important repairs and improvements during the past year were the following:

At Haverhill Academy the plaster on walls and ceilings in the hallways was all cracked and falling off. We contracted to have all the plaster removed and replaced by sheet-rock, which was given two coats of paint. Two of the recitation rooms were also re-painted.

At No. Haverhill School we were obliged to have the slate roof repaired, entailing considerable outlay. The back porch was also rebuilt.

At Pike School the entire inside of the building was re-painted and re-varnished, and the windows were weather-stripped and thus bring about a saving in fuel.

No. 6 Schoolhouse was painted inside and out, and the roof was re-shingled.

The School Board desires to draw the attention of the voters and taxpayers to two special articles in the School Warrant, one relating to the Brier Hill Schoolhouse, and the other relative to installing a more adequate heating system at Alumni Hall. As regards latter proposition the Board is getting together information and estimates for the various kinds of heating systems, and will be prepared to submit them for the voters' consideration at the annual District meeting.

Special attention is also called to the annual reports by the Superintendent, Mr. E. A. Janes, and by the headmaster of Haverhill Academy, Mr. F. H. Jenkins. Both these reports give a clear picture of the present standing of our schools, also embody recommendations worthy of the consideration by the District.

The financial budget for the year from July 1, 1937 to June 30, 1938, has again been prepared with a view of economy, without losing sight of the fact that it is the Board's desire to have all the schools in the town function in as highly efficient a manner as possible.

The retiring member of the Board is Mr. Wm. J. Clough of No. Haverhill.

Respectfully submitted,
EMILE BLANK,
Wm. H. SLIGHT,
Wm. J. CLOUGH,
School Board of Haverhill.

Because of the small number of pupils it seemed best to close the Brier Hill school this year. This has been done with some saving in expense and with advantage to the children. If the school population in the Number Ten section continues to dwindle, it may be advisable, before long, to discontinue that school.

In addition to various repairs described in the report of the School Board, we have added to the equipment in the laboratory at Haverhill Academy recitation chairs and a chemistry table. The latter not only facilitates the work in the experiments but adds to the safety in handling chemicals. It is hoped that by another year hot water may be piped to the kitchen, and adjustable desks provided for the primary rooms at Pike and Haverhill Corner.

Through the kindness of Mr. Herbert Smith, the boys in the Pike school have had a place for baseball. At North Haverhill the tennis court has provided tennis in the warm weather and skating in the winter. I am glad to say that some playground equipment has

been promised for North Haverhill and Haverhill Corner.

The usual work and various activities are being carried on in the schools. This year a hot dish is prepared to go with the lunches of children who spend the noon hour at the East Haverhill and the Center Haverhill schools. These are financed and managed by the teachers, pupils, and interested parents.

Last spring when the standard achievement tests were given throughout the elementary grades of this Union, the highest scores were made in grades two, three, four, and six by pupils in the Haverhill schools. Athletics, parts in plays, and other public exercises were participated in by many pupils in most of the schools. For a more detailed account of the activities in the Academy, I refer you to the report of the headmaster.

It has been very gratifying and encouraging to have such loyal support of the public through these trying years of the depression. The navigating of the flood waters of the Connecticut last March, in order that the annual school meeting might take place as usual, was probably a unique event in Haverhill school history and illustrated the real New England patriotic interest in public affairs.

Respectfully submitted,

EDWARD A. JANES.

REPORT OF HEADMASTER

To the Superintendent of Schools:

I submit herewith my thirteenth annual report of Haverhill Academy and High School for the year ending January 31, 1937.

There have been enrolled for the year to date 123 pupils, 16 of which are tuition pupils. This is one less than last year's record enrollment.

The enrollment by classes is as follows:

	Boys	Girls	Total
Seniors	14	16	30
Juniors	9	24	33
Sophomores	12	12	24
Freshmen	24	12	36
	59	64	123

There have been but five withdrawals to date, making the present enrollment 118. The present senior class of thirty exceeds by seven the largest graduating class in the past thirteen years and as far as we know the largest in the history of the Academy. This number constitutes over 71% of those who entered with the class.

The following pupils graduated in June: Madeline Batchelder, Elizabeth Clark, Lee Beamis, Ruby Dunkley, Donald Fadden, Ray Knapp, Ethel Locke, Doris McDuff, Edith McKean, Hazel McKean, Charles Morrill, William Morris, Eleanor Spooner, Madelyn Stebbins, John Thompson, Edna Walker, Harry Willey.

First and second honors as determined by school marks were won by William Morris and Ruby Dunkley respectively. The "John Dexter Locke Latin Prize" was won by William Morris and the Scholarship, Loyalty and Achievement Medal was won by Charles Morrill.

The usual extra-curricula activities have been continued as in the past with satisfying results to the participants, the school and apparently to the public. The girls basket ball team has won eight of the nine games played thus far this season and the boys have won five out of eight played. The girls' and boys' Glee clubs presented the operetta "Bits of Blarney" last spring and have made public appearances on two other occassions. The orchestra has furnished music for parties, dances and commencement exercises. The orchestra this year has been under the direction of Mr. Lawrence Hayford, a graduate of Boston University School of Music. Mr. L. R. Stevens, who for the past five or six years has directed the orchestra and to whom we are indebted for its development, did not feel that he could give his time to it this year.

The school orchestra provides an opportunity for pupils of some musical ability to develop that ability as well as those qualities of organized cooperative effort so essential to full and useful living. While at the same time it plays an important part in the other school activities. The orchestra has always been, and is now more than ever, handicapped by a lack of proper instruments to provide anything like full orchestration for music as it is written. We believe that a large number of pupils are anxious to experiment with their musical urge but lack the instruments to do so. Parents hesitate to invest in costly instruments with no guarantee that the experiment will succeed. Thus to insure the continuance of the orchestra and to develop it to anywhere near its possibilities will presently require the purchase and ownership of these instruments by the school, as is the practice in a large majority of the schools that maintain orchestras.

Seven of the pupils are working on N. Y. A. projects for which they receive a maximum of six dollars

each per month. The projects consist of care of the skating rink, copying records, care of books and magazines, repairing stage curtains and chairs in Alumni Hall, care of the laboratory and numerous other jobs.

The Program of Studies remains the same as last year with one exception. Advanced mathmatics has been made elective for juniors as well as seniors and will be offered on alternating years. The change makes it necessary for pupils to make their choice of post-secondary work in their junior year if they intend to pursue engineering courses in post-secondary institutions. The fact that graduates will be admitted to most colleges without examination does not mean that they will be admitted to all courses in these colleges. It does mean that they will be admitted but that the college reserves the right to dictate the courses that are to be taken. If candidates for admission wish to specialize then the college usually demands certain subjects as prerequisittes for admission.

The school day has, in effect, been lengthened about 25 minutes this year. This was brought about by beginning the morning session a few minutes earlier and shortening the noon hour. The reason for the change is two-fold: First, to lengthen the activities period and second, to provide for a longer study period in the middle of the day. The increased demands upon the pupils both by community and school activities leave them little time for home study. Even if there is time there is some question as to its advisability. Many homes are not conveniently arranged for this purpose, particularly during the winter months. A reasonable degree of quiet and freedom from distraction is necessary for effective study. To maintain such an atmosphere in their homes is a demand that parents should not have to impose upon themselves. The few hours that parents and school children have together should

not have to be spent in academic pursuits. Thus it has been our attempt, through a slightly lengthened day and through longer periods of supervised study, to make unnecessary a great amount of home study. The results have, we feel, justified our efforts in this direction.

The hearty cooperation of parents and citizens is gratefully acknowledged.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster

Haverhill, N. H., February 13, 1937.

*$3.50 per $1000 of taxable inventory is **minimum** required by law in addition to per capita tax and salaries of district officers.

†**$5 per $1000 of equalized valuation must be raised for elementary schools to qualify for state aid. The net assessment must contain this amount in addition to funds raised for high school maintenance and other statutory requirements.**

Vital Statistics

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages, and deaths to the municipal officers for publication in the annual reports," I submit the following Vital Statistics. I hereby certify that the following return is correct according to the best of my knowledge and belief.

FRANK N. KEYSER, Town Clerk.
